Philip: when we met last month you mentioned plans regarding the Birch Hill lagoon, including potentially replacing with an infiltration system. Are you planning to include replacement with infiltration in the corrective action plan (CAP)? Or will you address violations with other means?

Thanks,  
Dean

Dear Barbara, Attached is an electronic copy of the above – referenced Order, signed by the Chairman. It's delivered to the Water Enforcement and Compliance Assurance Branch Chief's Office (Patrick Kuefler).

When you see a fully executed Order, could you forward here? Thanks.
